Agenda

***Focusing on the Goal: Provide a plan to accommodate hospital expansion that is satisfactory to the Community and to the Hospital.***

Review and approve the minutes from the December 8, 2010 meeting.

Oaklawn Hospital update from Rob Covert.

Review Phase I – Parking Supply/Demand Analysis (How is parking currently utilized and what are our future needs?) results of the Parking Needs Assessment of Downtown Marshall and Oaklawn Hospital with Walker Parking Consultants Mr. Jeffrey Covin and Mr. R. Jake Jeppesen.

Update on Phase II – Alternatives Analysis (How can we best improve existing parking, utilize strategies to reduce overall future parking needs, and add needed parking in the future?) of the Parking Needs Assessment of Downtown Marshall and Oaklawn Hospital.

Finalize the development of the weighted-value matrix of preferred alternatives that will reflect Community and Hospital parking-related values. This matrix will be used by our consultants when evaluating potential solutions for mitigating current and future parking problems (Phase II).
